

American solar outdoor power cabinet manufacturer

Overview

APX Enclosures provides a solution with our line of custom outdoor battery, solar battery bank and metal generator enclosures. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies. Bellebnb Hotel Cloud Booking Management. Environmentally controlled NEMA/UL. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. This place is called a "battery enclosure", or what is. Sunwize Power & Battery Battery Enclosures are available in various sizes and configurations for housing batteries and support equipment, engineered specifically for the PV industry but suitable in a wide variety of applications. We specialize in design for manufacturing. For any necessary certifications, APX will support and fulfill.
