

# Amsterdam electrochemical energy storage power station completed

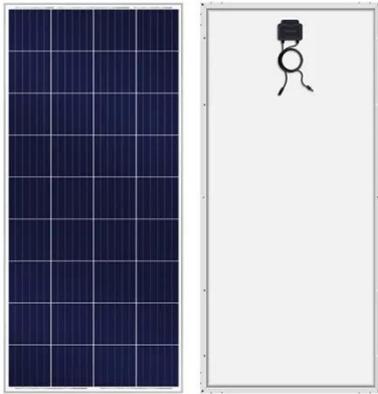

## Overview

---

Amstelveen, 20 October 2025 GIGA Storage today officially inaugurates its third large-scale energy storage project. Located in Amsterdam's Westelijk Haven area, this battery is the largest in the city. The project, called Giraffe, has a power capacity of 10 MW and a storage capacity of 47 MWh. With Giraffe, sustainably generated. Today the largest European energy storage system using second-life and new electric vehicle batteries in a commercial building was made live. Amsterdam Alderman Udo Kock, deputy mayor for Finance and Economic Affairs (Amsterdam) conducted the official opening ceremony.
