

Are Oman lithium battery packs safe

ESS

Overview

These lithium battery-powered devices are strictly prohibited on Oman Air flights, whether as checked baggage or carry-on luggage. At Oman Air, your safety is always our top priority. To comply with international safety standards and Dangerous Goods regulations, we have updated our policy for lithium batteries, power banks, smart bags, and e-cigarettes. Please review the following guidelines carefully before you travel. Power banks and e-cigarettes must stay in hand luggage, smart bag batteries may need removal, and lithium battery-powered devices like hoverboards are banned.
