

Can the lockers in 7 Days to Die be dismantled

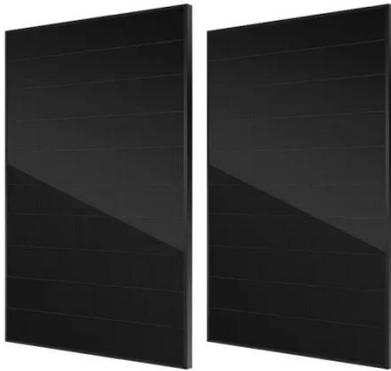

Overview

Every storage container can store up to 9 stacks of items except for the Secure Storage Chest (48 stacks), Gun Safe (64 stacks) and the Storage Box (72 stacks). To dismantle an item, highlight it in your Inventory and if it can be dismantled, the "assemble" button will be available. By clicking on the "assemble" button, a new pane (pictured below) will. What loot containers should or should not be broken/dismantled?

cars (maybe), mail boxes and book shelves, almost all named crates like shotgun messiah and working stiff, but not sure what others. Personally, I always play with loot. If you don't want to use a claim block, and don't want the POI to spawn a quest, place at least one block or plate somewhere in the area you are claiming. Get a refund for those items you don't want anymore. Lockers will give you bullets, gunpowder, paper etc. I. You can help 7 Days to Die Wiki by expanding it. The Lockers is a map-generated storage container found in various buildings.
