

Cost-effective mobile outdoor power supply

Overview

What's the best cheap portable power station right now?

I've put over 120 portable power stations to the test to discover the absolute best. Portable power stations can deliver power when you need it most, whether during power outages or just for an off-grid adventure. And, thanks to advances in lithium-ion battery technology, they're also lighter and more compact. Whether you've been dreaming of van life or are building out your emergency kit in advance of that next blackout, there is. We tested out over 40 compact power stations to find out which ones will keep the lights on during blackouts even when you're off the grid.
