PV Index - module prices climb as inverters dip

Prices for modules continued their climb in May on strong demand and limited supply, while inverter prices edged down. The PV Purchasing Managers' Index held firm as brand ...

PRICE INDEX , January 2026

Every month we publish a current price index on the development of wholesale prices of solar modules. In doing so, we differentiate between the main technologies available on the market.

PV Module Prices Outlook , Becquerel Institute

This report aims at providing the keys to understand the future of PV modules' prices globally as well as in Europe and help buyers to better manage the risk of their projects.

European PV panel prices rise,

inverter prices fall!

Weak demand in the residential and small commercial and industrial (C& I) sectors, as well as ample inventory levels, caused PV inverter prices to fall slightly in April.

Tight supply sends European module prices upwards in ...

Continued supply strain has sent module prices on an upward trend in Europe during the month of April, according to the pv dex report.

European PV Module Market Sees Price Rebound and Demand ...

Data indicates that N-type single-sided module prices have risen by 12%, while P-type single-sided module prices have increased by 8%. This rebound is primarily driven by seasonal ...

Prices Inverters + Storage Solutions

We help each other out; in consequence prices might be higher than announced

in our standard price lists. Place your order now to assure the availability of all inverters and panels when needed.

Photovoltaic Module Prices 2025: Updated Data

Prices for photovoltaic modules in 2024 continue to fall. According to the monthly index published by Germany's pvXchange Trading, the downward trend persists, driven largely--if not ...

SolarTraders - PV Wholesale Marketplace & Price ...

SolarTraders is the B2B marketplace for photovoltaics. Installers compare modules, inverters & storage from 100+ distributors. Best prices & fast delivery.

PV Solar Inverters

The world's leading solar power inverters for all photovoltaic applications at the best price with worldwide delivery.
