Overview

Our outdoor cabinets can be configured to match any design your space requires. Our team of designers will take any drawing, from a hand-sketch to a CAD file, and send you back a quote plus a rendering of which cabinets or bases will be needed to complete your outdoor. Whether you're just getting started or already living the good life outside, these FAQs cover everything you need to know—from what makes WeatherStrong® cabinets weather-tough to how to keep them looking sharp. Who is WeatherStrong®?

WeatherStrong® is the leader in outdoor. Perfect for outdoor living in the harshest of weather conditions. These cabinets, often made of steel or stainless steel, house critical components like relay panels, control cabinets, junction boxes. We've introduced EcoCore™ board as a new cabinet core option for 2026 projects. It expands pricing flexibility while maintaining fast lead times, factory-assembled quality, and dependable performance. ☐☐ EcoCore™ details are reflected in the latest spec guides. Finally, a durable, weatherproof. “These cabinets are made with a technologically-advanced, high-density resin system, which means they won't crack, split or rot, regardless of the amount of rain, humidity, heat or other environmental nasties they may be exposed to. Built Strong Ships in just 10 business days—so.
