Overview

We're dissecting the King Kong Glass Energy Storage Battery, a technology that's making waves in energy circles like a caffeinated dolphin at a pool party. Shuangdeng Group is the latest energy storage specialist to list on the Hong Kong Stock Exchange, drawing overwhelming investor interest. Shares of Shuangdeng Group soared on their Hong Kong trading debut Tuesday, underscoring the strong business momentum behind Chinese energy storage. Cailian Press reported on September 29 (edited by Feng Yi) that driven by the faster-than-expected recovery in industrial sentiment and event-driven catalysts, today's energy storage concept stocks in Hong Kong once again witnessed a collective price rally. Based in Hefei, the capital of eastern Anhui province.
