

How is the Gaojing photovoltaic panel

Overview

Our solar panels are made with the latest technology and highest-quality materials to ensure maximum efficiency and durability. They are easy to install and require very little maintenance, making them a convenient and hassle-free way to harness the power of the sun. Look no further than Hebei Gaojing Photovoltaic Technology Co. Based in China, we are a leading manufacturer, supplier, and factory of high-quality solar panels for a variety of applications. Gokin Solar Panel Series GJS-P100-36., Ltd) was established in 2015 and is located in west of beautiful Dabeisu village, Hequ Town, Ningjin County, Xingtai City, Hebei Province, China. (hereinafter referred to as “Gokin Solar”) held the phase I trial production and phase II groundbreaking ceremony for its 50GW large-size silicon wafer project in Zhuhai. The trial production officially marks the successful.
