I was able to lift and install all 7 385w panels on the roof by myself. The design shown in the video was unchanged. I think the most critical thing to

50KW modular power converter

Flexible Configuration

- Modular Design, Expanding as Required
- SlimProfile, Wall Mounted
- Installed in Parallel for Expansion

Powerful Function

- Support PV+ESS
- Grid Support, Equipped with SVC Technology
- On-Grid and Off-Grid Operation

Reliable Protection

- Outdoor IP65 Design
- Sufficient Protection Functions Equipped
