

Mobile power blocking box

Overview

Portable PDUs are designed to provide flexible and convenient power distribution solutions when you need to bring power to a remote location, allowing users to efficiently distribute electrical power to multiple devices or equipment from a single source. Made with chemicals safer for human health and the environment. Manufactured on farms or in facilities that protect the rights and/or health of workers. Discover more products with sustainability features. Learn more Mini Power Distribution Box - 12V DC Battery Socket, 50A Max Output with 2. The Mission Darkness™ Blocker Locker 7™ system solves multiple problems for forensics investigators and labs. To effectively access and recover data from cell phones and tablets, the latest forensic tools require devices to stay live. It can be difficult to keep devices shielded from RF signals. Lex Products offers a full range of portable power distribution boxes and units, specifically engineered for indoor and outdoor use for the entertainment, industrial and military industries.
