

Morocco Mobile Base Station

Higer conversion efficiency

CAN/RS485/WIFI/4G
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three mobile base station units on wheels, each with a green circle indicating its capacity: 20 Kwh, 30 Kwh, and 50 Kwh. The units are white with black accents and are positioned in front of a house. The background of the advertisement is a light blue sky. The text 'Higer conversion efficiency' is in the top left, and 'CAN/RS485/WIFI/4G Blue tooth communication' is in the top right. The bottom of the advertisement has two green boxes with white text: 'Thick shell, well protection for inside cells' and 'BMS customization supported'.
