

Power cabinets with IP67 rating for remote areas

Overview

Browse our durable lineup of outdoor electrical enclosures designed to protect sensitive components from rain, dust, UV exposure, and harsh environmental conditions. They have adjustable rack sizes and spacing, a 3 and 4-point locking system, and solar caps to manage heat loads. We specialize in creating custom NEMA enclosures tailored to your exact needs. Built for rugged reliability, these enclosures are. Defined by the IEC 60529 standard, IP ratings tell you exactly how well a box guards against solids (like dust) and liquids (like water). Among the most common ratings you'll encounter are IP65, IP66, and IP67. We provide off-the-shelf.
