

Rabat Solar Container 80kWh Product Warranty

Overview

The whole system is covered for 1 year, solar panels for 10-12 years, lithium batteries for 3 years, and inverters for 5 years. Do You Provide Installation Guidance Or O&M Training?

Yes. Warranty on solar panels is a great way to protect your panels from damage and degradation. Please refer to our warranty manual for details. We provide detailed manuals, operation videos, and online. When selecting an 80kWh solar battery storage system, prioritize models with high round-trip efficiency (90%+), deep depth of discharge (DoD \geq 90%), lithium iron phosphate (LiFePO₄) chemistry for safety and longevity, and scalable design for future expansion. Discover trends, case studies, and Morocco's energy future. Why Energy Storage Containers Matter in Rabat?
