

# Russia increased renewable energy penetration

**Higer conversion efficiency**

CAN/RS485/WIFI/4G  
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white solar battery storage units on wheels. The first stack is labeled '20 Kwh', the second '30 Kwh', and the third '50 Kwh'. Each unit has a small digital display and the 'SOLAR PRO' logo. The background shows a house and a clear sky. The text 'Higer conversion efficiency' is in the top left, and 'CAN/RS485/WIFI/4G Blue tooth communication' is in the top right with a wireless signal icon. Two green callout boxes at the bottom highlight 'Thick shell, well protection for inside cells' and 'BMS customization supported'.
