

# Solar power plant in Vietnam

## Overview

---

By the end of , 7 wind power plants were in operation, for a national installed capacity of 331 MW. By July 2022, installed capacity had risen to at least 4,000 MW due to the addition of 84 new wind farms. The power development masterplan PDP 7 revised, published in 2016, stated that Vietnam would aim to have 800 MW of wind power capacity by 2020, 2,000 MW by.

### Solar Power Plants in Vietnam (Map)

Data and information about Solar power plants and their location plotted on an interactive map of Vietnam.

### Top five solar PV plants in operation in Vietnam

Listed below are the five largest active solar PV power plants by capacity in Vietnam, according to GlobalData's power plants database. GlobalData uses proprietary data and analytics to ...

## Vietnam Solar Power Sector

Vietnam has been leading in solar power development in the ASEAN region. The solar power sector grew strongly, with a new capacity estimated at 17.6 GW in 2021.

### Commercial and Industrial ESS

Air Cooling / Liquid Cooling

- Budget Friendly Solution
- Renewable Energy Integration
- Modular Design for Flexible Expansion

## Recent Solar Power Developments in Vietnam

Recent developments of the regulatory framework governing solar power projects in Vietnam, as discussed below, highlight the country's commitment to renewable energy and its efforts ...

## Renewable energy in Vietnam

The government is studying a renewable portfolio standard that could promote this energy source. While wind and solar investment remains attractive in Vietnam, existing capacity is under-utilized due to ...

## Top five solar PV plants in operation in Vietnam

Trung Nam Solar PV Park IDau Tieng  
 Solar PV ParkLoc Ninh Solar PV ParkHong  
 Phong 1A & 1B Solar PV ParkTrung Nam

Solar PV ParkThe Trung Nam Solar PV Park has been operating since 2019. The 258MW solar PV project is located in Ninh Thuan, Vietnam. The project has been developed by Trung Nam Solar Power. Trung Nam Solar Power have the equity stakes in this project. Buy the profile here. For more details on the latest solar PV plants, buy the project profiles here.
