

# Solar power station with energy storage for a full day

## Overview

---

Powerwall is a compact home battery that stores energy generated by solar or from the grid. You can then use your stored energy to power the devices and appliances in your home day and night, during outages or when you want to go off-grid. They're great in an emergency, but they're also essential tailgating and camping equipment. Here's what you need to know: Imagine this: a storm knocks out power in your neighborhood, but your lights stay on, your refrigerator keeps running, and. Bluetti Apex 300 is ready for campsites, RV and van-life nomads, and home blackouts. Bluetti does it again with a complete and powerful yet compact.
