

Sonnen lithium batteries

Overview

Sonnen batteries are made of single 2.5kWh (Kilowatt-hour) lithium battery modules linked together in varying capacities ranging from 5 to 15 kWh. Usually, power storage batteries are combined with your solar. Choose from Sonnen's range of battery solutions to meet your unique energy needs. Built from German engineering and American ingenuity, every Sonnen product has an industry-leading warranty, high-quality craftsmanship, and the intelligence to maximize your clean energy benefits. But you'll get backup power too.

Sonnen lithium batteries
