

# Standard power scale outdoor telecom enclosure for highways

## Overview

---

Explore AZE's premium NEMA-rated and weatherproof enclosures designed for telecom, industrial electrical, and energy storage applications. Built to withstand harsh environments and extreme conditions, our enclosures ensure optimal protection and peak performance for your. When your network infrastructure demands reliable outdoor protection, American Products delivers weatherproof telecom enclosures engineered for performance and built to last. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies. Charles Universal Broadband Enclosures (CUBE) are constructed to withstand the elements and provide superior protection for active electronics in all environments. The ORC houses DC power, batteries and equipment. Built from AlumiFlex®, a lightweight yet durable material, it provides steel-like strength to support the heaviest equipment. Designed to protect your equipment from rain, dust, and extreme temperatures, our waterproof and customizable solutions ensure reliability in any environment. Learn more! IP55 Rated | 24U | AC110V or.
