

Switchgear equipment in China in Ghana

Overview

ESL specializes in Electrical Switchgear Assembly, Low Voltage Electrical Panels and Control Systems with 'IEC 61439 - 1' standard as the benchmark. At Automation Ghana, we provide top-quality switchgear solutions for industrial, commercial, and utility applications, helping protect electrical systems, control power flow, and minimize downtime. Our range includes low-voltage switchgear, medium-voltage switchgear, and high-voltage switchgear. Services Merchandize Limited was established in 1989 in Ghana - branches in Accra and Kumasi - We have since been involved in various building projects in supply of Switchgear and circuit protection equipment. We value relationships more than anything else. Their expertise in domestic wiring and installation further highlights their capability in providing custom switchgear solutions. Our products—such as circuit breakers, relays, and protectors—serve power, industry, and infrastructure sectors with safe, reliable, and eco-friendly equipment worldwide.

Switchgear equipment in China in Ghana
