

The bank launched solar panels

Overview

MANILA – The Bank of the Philippine Islands (BPI) is pioneering the country's consumer loan for "green" purchases. The bank launched on Monday BPI Green Solutions providing solar mortgage, eco-build financing and electric vehicle (EV) financing. Axis Bank has launched Rooftop Solar Finance, a new program designed to help MSMEs transition to solar energy. The initiative offers collateral-free loans ranging from Rs 10 lakh to Rs 2 crore with flexible repayment options. The facility will lower risks for investors through concessional financing.
