

There is a locker that can hold an umbrella

DISTRIBUTED PV GENERATION + ESS

Overview

Umbrella stands are functional accessories designed to hold and organize umbrellas when not in use. They come in various materials, including metal, ceramic, wood, and plastic, each offering a distinct aesthetic. Check each product page for other buying options. Need help?

. Two-foot tall round umbrella stand, finished with a classic royal blue vine and flower pattern against traditional china white background. While some stands are simplistic cylindrical containers, others have intricate designs. Sign up for emails & save 10% on select home decor.
