

Tunis City Outdoor Cabinet Smart Installment Payment

Overview

Simply select the instalment option at checkout to take advantage of this convenient payment solution. The installment period is up to 36 months. Our platform offers a variety of payment methods that allow our buyers to make their purchases more easily. One of these methods is the Smart Installment plan, which offers the possibility for buyers to divide their purchase into monthly installments, without the total amount of the product. Our installment policy allows customers to split the cost of their purchase into manageable payments over a predetermined period. Paysmart est une solution qui vous permet de payer vos factures par carte bancaire et par wallet sans vous déplacer. You'll never pay extra when you pay on time. Whether it's groceries, utilities or fuel. How to create a city within a city today?

The new neighbourhood will be born on three artificial islands on the lake of Tunis, and it is designed following the guidelines of a smart city, encouraging reduction in energy consumption, public and pedestrian transport integration, and the maximisation. Licensed by Banque du Liban under Resolution No. 19/21/22, dated Aug.
