

# Which companies have energy storage power stations in Chad

## Overview

---

Paris, 20 May, 2025 - Independent renewable energy company Qair, announces the start of the construction of two hybrid solar power plants with battery storage in the neighborhoods of Gassi-Bagoum and Lamadji-Achawail, N'Djamena, Chad. Abu Dhabi-based Global South Utilities has commissioned Chad's first utility-scale solar plant, a 50 MW facility in N'Djamena with 5 MWh of storage to supply 274,000 homes. Supported by RelyEZ Energy Storage, the Chad solar energy storage project features a 2MW photovoltaic power generation system, a 500kW diesel generator, and a 6.4% nationwide?

With only 125 MW of installed capacity - mostly from diesel generators - this landlocked nation represents both the urgency and potential of energy storage.
